

BUSINESS

High School to College and Career Pathways

BUSINESS

Business Education prepares students for employment and/or continuing education opportunities in business through technical instruction in the classroom, experiential education in the laboratory, student internships, and through leadership and personal development by participating in student leadership organizations.

ACCOUNTING & FINANCE:

Workforce Trends

Accountants, those with a CPA, continue to be in demand in both public and private industry audit and tax specialties. Demand is especially high in the tax and health care areas.

Accountants who have a lot of special skills, such as certified public accountants (CPAs) and certified management accountants, should have the easiest time finding a job.

Get the Facts

In Utah, a Certified Public Accountant (CPA) must have a master's degree in accounting and be licensed. The license must be renewed every two years.

Beyond High School

There are a number of options for education and training beyond high school, depending on your career goals.

Sample Occupations

- > Accountant
- > Accounting Clerk
- > Auditor
- > Bookkeeper
- > Tax Examiner
- > Tax Preparer

For more information on salary projections, labor market demand, and training options, visit www.careers.utah.gov.
